**CONTINUING GUARANTY**

For and in consideration of the extension by Squires Lumber Co. (hereinafter called "Squires") to \_\_\_\_\_ (name of firm hereinafter called "the Borrowers") of present and future credit, and in order to induce Squires to extend such credit to the Borrowers, which Squires is unwilling to do without further security, the undersigned (hereinafter called "the Guarantors"), hereby guarantee and promise to pay Squires any and all presently existing indebtedness of the Borrowers to Squires hereafter and prior to Squires receipt of written notice from the Guarantors terminating the applicability of this guaranty to indebtedness thereafter incurred.

This is a continuing guaranty.

The obligations hereunder are joint and several, and independent of the obligations of Borrowers, and a separate action or actions may be brought and prosecuted against Guarantors whether action is brought against Borrowers or whether Borrowers, or any of them, be joined in any such action or actions.

Guarantors authorize Squires without notice or demand and without affecting their liability hereunder, from time to time to (a) renew, extend, accelerate or otherwise change the time of payment of, or otherwise hold security for the payment of the indebtedness guaranteed, and exchange, and direct the order or manner of sale thereof as Squires in its discretion may determine; and (b) release or substitute any one or more of the guarantors.

Guarantors waive any right to require Squires to (a) proceed against Borrowers; (b) proceed against or exhaust any security held from Borrowers; or (c) pursue any other remedy in Squires power whatsoever.

Guarantors waive all presentments, demands for performance, notices of nonperformance, protest, notices of protest, notices of dishonor, and notices of acceptance of this guaranty and of the existence, creation, or incurring of new or additional indebtedness. Guarantors assume the responsibility for being and keeping themselves informed of the financial condition of Borrowers and of all other circumstances bearing upon the risk of nonpayment of the indebtedness which diligent inquiry would reveal, and agree that absent a request for such information by Guarantors, Squires shall have no duty to advise Guarantors of information known to it regarding such condition or any such circumstances.

Where any one or more of Borrowers are corporation or partnerships it is not necessary for Squires to inquire into the powers of Borrowers or the officers, directors, partners or agents or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers and all indebtedness made or created by or on behalf of such corporation or partnerships shall be guaranteed hereunder.

Guarantors agree to pay reasonable attorney's fees and all other costs and expenses which may be incurred by Squires in the enforcement of this guaranty.

Any married person who signs this guaranty hereby expressly agrees that recourse may be had against his or her separate property and any community property of which he or she may be manager for all obligations under this guaranty.

IN WITNESS WHEREOF the undersigned Guarantor(s) have executed this guaranty.
